NORDFJORDEID

Explore the saga, enjoy the fjords and nature, and feel the magic

Port of Nordfjordeid is in the heart of this area from ocean to glacier and Nordfjordeid is the complete cruise destination only 30 nautical miles from the coast. Nordfjordeid is an excellent starting point for round trips to some of Norway’s most popular tourist attractions, including the Briksdal Glacier and the famous overland excursions to Geiranger. You can also choose an overland trip to Hellesylt and a fjord cruise to Geiranger on the famous UNESCO-listed Geirangerfjord. Nordfjordeid is the small town with the glowing heart eager to present the full size replica of the Myklebust ship, Norway’s largest known Viking ship, more than 30 m long.

ATTRACTIONS/ EXCURSIONS

Visit Sagastad and the gigantic Viking ship
Duration: 1 hour.
The new attraction in Nordfjord, SAGASTAD. This is a museum presents the Myklebust ship, Norway's largest known Viking ship. Just beside the seawalk pier you find SAGASTAD, the full size replica of the burned Viking ship from 876 and the modern exhibition presenting the story behind the Myklebust findings. Guided tour Sagatrial (Sagaløypa)

Home visit Skårhaug
Duration: 3 – 3.5 hours
Enjoy the old-town-like street Eidsgata, the burial mounds, the church of Eid and the nice walk to Skårhaug.

Guided tour Norwegian Fjord Horse Centre
Duration: 3 hours
Meet the fjord horse, Norway's national symbol. Family friendly programme.

Kayaking lake Hornindal
Duration: 3 hours
Explore lake Hornindal, Europe’s deepest lake (514 m). From the kayak, you have the best point of view to see the beautiful nature that surrounds the lake - spectacular mountains, green forests, historic houses and maybe a salmon in the clear water.

RIB-safari Nordfjordeid
Duration: 30 min.
View the village of Nordfjordeid from a new perspective, on a high-speed RIB-adventure.

Fairytale farm
Duration: 2.5 hours
The fairytale farm is idyllically situated by the sea, surrounded by mountains and fjords. At the fairytale farm you will experience typical Norwegian animals such as cows, horses, goats, pigs, rabbits, chickens and ducks. These animals are familiar with people, both adults and children.

Fjordsafari Geirangerfjord
Duration: 3.5 hours
Let us take you on an amazing excursion to the World famous and UNESCO listed – Geirangerfjord! Experience the Geirangerfjord at full speed and with fresh air in your hair. This is a tour were you will discover all the highlights of the Geirangerfjord at close range.

Discover the Fjords: Unforgettable Journeys from Nordfjordeid by Boat and Ship
Embark on an unforgettable journey through the serene fjords near Nordfjordeid. Our tours offer a unique blend of natural beauty and local culture, taking you to picturesque destinations such as Rugsund, Davik, Ålfoten, and Høyen. Childrens climbing and playground
Duration: 1.5 hours
Let the family enjoy an activity together in a unique Viking-Warrior climbing gym, only 150 m from the gate. In the Viking room, it is possible to climb on all elements and you can test your balance, strength and focus. In addition, it’s a great arena for families to have fun together as it is expected that the parents take part in the joy. And yes, all elements can be tested by the parents.

Fjordsafari & deer farm visit
Duration: 4 hours
The RIB ride goes out the Nordfjord and into the national park area Ålfoten. On the trip you will see the high mountains and the Ålfoten glacier on the way out the fjord. The host will take the passengers on a guided tour from the sea up to Hjortegarden deer farm. There are more than 40 deer here, and the guide will tell stories about hunting, food traditions and information about the national park area. Guests will be able to feed and pat the deer, try activities like bow and arrow, lasso, axe throwing and milk bucket holding!

Sagastad. Photo: Grim Berg

Selja Monastery
Duration: 5.5 hours
Come to see and experience some of the most ancient existing sites of church history in this country, associated with a sanctum, a bishopric seat and an abbey. Enjoy a scenic ride along the Nordfjord, over a mountain pass with spectacular views before you arrive in the beautiful village of Selje. You will have a guided tour in the village of Selje, a nice boat trip to the island and the guided tour at the Selja monastery.

West Cape
Duration: 6 hours
Vestkapp (West Cape) is known as the westernmost mountain plateau in Norway and incubates 497 m above the infamous Stadhavet. Enjoy a scenic guided tour along the Nordfjord, over a mountain pass with spectacular views before you head for the ocean and arrive at the spectacular Vestkapp. At the top of Vestkapp is Vestkapp Restaurant with large panoramic windows. You will enjoy lunch here based on local ingredients accompanied by the spectacular view.

Norwegian Fjord Horse. Photo: Steinar Engeland

Panorama & Loen Skylift
Duration: 5.5 hours
Loen Skylift is a spectacular attraction at the inner part of the Nordfjord. A cable car will lift you from the fjord to 1,011 masl! Enjoy the view of the fjord landscape – from the restaurant table or while exploring on a walk in the mountains. Beautiful guided tour along the Nordfjord, through the famous Panorama road, a narrow road that will take you close into the cultural landscape while you can enjoy the breathtaking views of the beautiful fjord.

Briksdal Glacier
Duration: 5.5 hours
The magnificent Briksdal Glacier forms part of the Jostedal Glacier National Park, and plunges 1,200 m into the lush, narrow Briksdal valley. Beautiful guided tour along the Nordfjord, through the famous Panorama-road. A narrow road that will take you close into the cultural landscape while you can enjoy the breathtaking views of the beautiful fjord. On arrival at Briksdal, you can either walk the 3 km up to the glacier or buy a ticket on one of the “Troll Cars” that will take you there.
